

STAAR Submissions Guidelines

The activities of the vibrant research community here at St Anne's inspired us to collect a wide range of articles into a multi-disciplinary e-journal. We want to encourage academic debate between the SCR, MCR and JCR, help you build up your research profile, and give others an insight into your work.

- We are looking for submissions of about 1,500 words* in length.
- Your article should give an overview of your subject area, your interests, and of the contribution that your research is making to your field, as well as any illustrations or photographs.
- We are also looking for short reports of about 500 words* on prizes or scholarships, research trips, conference papers or seminars.
- The journal is aimed at a broad audience, so please ensure that your article is accessible for non-specialists.
- If you are an undergraduate with a fascinating essay, a postgraduate with an intriguing thesis, or a Fellow with some thought-provoking research, then please get in touch!
- Please read the [checklist for submissions](#).

The STAAR Editing Process

STAAR carries out both factual and stylistic editing. Where appropriate, the article will be reviewed by specialists, including the SCR if they wish. The editing changes will be discussed with you by email correspondence. For these reasons, we ask you to submit your contributions as a word document.

Note on STAAR Copyright

Publishing in STAAR will not prevent you publishing elsewhere.
